

K-254 CORRIDOR DEVELOPMENT ASSOCIATION

Created in August 2018, the K-254 Corridor Development Association is made up of members from local governments, schools, nonprofits, and businesses with the common goal of K-254 development.

Improving safety is a top priority for this association as is economic development. If you recognize the importance of these two priorities and want to advocate uses of K-254, please consider becoming a member.

PURPOSE

- Promote improved safety along the K-254 Corridor.
- Support and promote orderly development within the corridor by establishing relationships with public and private sector entities along the corridor.
- Provide a marketing function, in coordination with existing development agencies, for the corridor.
- Act as an advisory group to member communities and interests along the corridor regarding safety and development along the corridor.
- Collaborate and communicate with all stakeholders and partners to advocate for the best transportation in Kansas.
